I'll be there. I might bring Jen too if she's available.

Good Morning John, Meredith,

Do either of you plan to attend this afternoon's meeting with Bell? Rick and Steve B have asked us to confirm that one of you will be attending.

Rick / Steve wants a pre-meet covering the topics below. Is RD on for attending? The other item they want is covered by what Dan gave us yesterday.

I think this will happen at whatever time the program review meeting ends and probably right there in the room.

Steve now wants a pre-meet, too. So, I've agreed that we would do a combined pre-meet at 11.

Two things:

1. Need to confirm that RD is also attending the meeting with Bell Labs.
2. Need a sense of which companies have now or will soon have compliant products.

Thanks!

We are having a conference call today with some of the retailers and can at least report to you what we hear from them - can do that by email or in a 10 minute pre-meeting. Do you have a preference?
